

Become a Sponsor

Many dedicated people come together behind the scenes to make Braves baseball possible. By joining the Braves Booster Club, you will help keep the Braves a first class organization. Choose from any level below or make a donation in any amount—all are appreciated! All Booster members receive recognition on our website, autographed team picture, Braves hat, and recognition at our Booster night (July 18th).

BUS SPONSOR—\$500

Most of our opponents play their games in Maryland and are only accessed by traveling the Capital Beltway. To avoid any injuries and car damage, the Braves organization funds charter buses to each away game. This allows our players and coaches to relax, while someone else deals with traffic. **You will be invited to join us on the trip you sponsor.**

FOOD SPONSOR—\$250 (away)

Our young men are hungry and like to eat. We provide a meal for our players on the way to our travel games. **You will receive recognition at the following home game and an autographed baseball bat.**

FOOD SPONSOR—\$150 (home)

With most players leaving the field well after 10 pm, quality food can sometimes be hard to find. Your donation will provide a meal from our concession stand for each player. **You will receive recognition at the game and an autographed baseball.**

GAME BAT SPONSOR—\$100

The transition from college aluminum bat to the wood bat can be an expensive one for the Braves organization. We provide all bats to the players at no cost. Each bat costs \$40 and three bats break on average during each game. **You will receive recognition at the game and an autographed bat.**

GAME BALL SPONSOR—\$50

We use one to two dozen baseballs for each home game, at a cost of \$38 per dozen. **You will receive recognition at the game.**

Who We Are

The Braves were founded to bring the thrill of summer baseball to the Northern Virginia community. Our goal is to provide an atmosphere of family fun, while providing a sense of community around our team.

We are competing in the Cal Ripken, Sr. Collegiate Baseball League. The league was formed in 2005 with six teams and expanded to eight teams this year.

We see our players as the future of the game and as role models for youth. We believe in the young ball player and hope to provide opportunities for youth to attend our summer camps and our games to further deepen their love of the game of baseball.
